

FERRY MEADOWS

by Imaan, 10, Orton Wistow Primary School

Walking through the wood, I feel inspired.

A glow of warmth fills my heart.

I read through the trees, the story of life,

And the light peeping through the leaves puts me in a trance.

Glist'ning water, sparkling trees,

Oh, how I feel its warm embrace.

Ferry Meadows, Ferry Meadows,

Beautiful, beautiful, beautiful, beautiful,

Beautiful, beautiful place!

Wand'ring through the enchanted forest paths.

A sense of magic in the air.

The diamond-like lake with mysterious glow,

And proud swans swimming as the water shines in the sun.

Glist'ning water, sparkling trees,

Oh, how I feel its warm embrace.

Ferry Meadows, Ferry Meadows,

Beautiful, beautiful, beautiful, beautiful,

Beautiful, beautiful place!

Beautiful, beautiful, beautiful, beautiful,

Beautiful, beautiful place!
