

PETERBOROUGH CATHEDRAL

by Lucy, 10, Orton Wistow Primary School

Peterborough Cathedral shines with sparkly lights.

It can be seen on the darkest of nights

Standing tall for all to see,

No-one loves it more than me!

The one and only Peterborough Cathedral,

Fabulous, majestic, loved by all.

Always surrounded by a bustling crowd.

Making the people of Peterborough proud!

Peterborough Cathedral makes me feel such joy.

Everyone loves it, each girl and boy.

I want to stand and gaze for hours,

at the stained-glass windows,

the spiralling towers.

The one and only Peterborough Cathedral,

Fabulous, majestic, loved by all.

Always surrounded by a bustling crowd.

Making the people of Peterborough proud!
