

THE POSH

by Danielius, 11, St Augustine's Junior School

At the Posh ground we stand on the terrace,

Waiting for the match to commence.

Wow, this is tense,

The teams line up like a fence!

The Posh ground towers over the city,

Supporters stare in awe.

Some saying 'How?'

Some saying 'Wow!'

Waiting for the final score!

One Nil! Two Nil!

Two one, how? Three one, wow!

Full time, that's the final score!

The Posh ground towers over the city,

Supporters stare in awe.

Some saying 'How?'

Some saying 'Wow!'

Waiting for the final score!

Wow! What a win for the players,

What a fantastic game!

The Posh is our name!

No match is ever the same!

The Posh ground towers over the city,

Supporters stare in awe.

Some saying 'How?'

Some saying 'Wow!'

Waiting for the final (claps)

Waiting for the final score!
